Story:
Once I was 7 years old, my mama told me, 'Go make yourself some friends or you'll be
lonely.'
Once I was 19 years old, cyra lived in regina.
One day, cyra found a piggy in the backyard.
It was silver and silly, and it liked to run all day long.
In one year, cyra would be 20 years old.
The temperature outside was 29.0 degrees Celsius, which felt like 14.5 degrees Fahren
heit.
cyra wrote a story, got told that it was boring.
Once I was 20 years old, soon we'll be 30 years old.
Soon I'll be 60 years old, will I think the world is cold?
While walking in the park, cyra decided to have 17 butterbears for lunch.
I hope my children come and visit once or twice a month.
And they lived happily ever after.
